Excell Projects

About Excell

Excell Projects was established in 2022 with the aim of delivering the highest quality fit out and construction for head contract builders throughout Sydney.

Made up of over 25 years' experience, our reputation for delivering high quality finishes, fast programmes and competitive pricing has enabled us to grow into a medium sized fit out subcontractor.

We have an experienced, skilled, and loyal team of 35 trade's people, backed by our strong management team. This has enabled us to successfully deliver multiple projects for tier 1 to tier 3 head contractors in the past.

Our company abides by all current WHS policies. We conduct regular training and have a safety-first culture.

Looking forward to demonstrating our services in successfully delivering your next project!
